

Bug Report *1

| | |
|-------------|---|
| ID number | #1 |
| Name | Wish List Button |
| Reporter | Ahmet Ozcelik |
| Submit Date | 20/10/2021 |
| Summary | Wishlist button doesn't show correctly. |
| Screenshot | Screenshot1 |
| Platform | Android |
| Severity | Major |
| Assigned to | Getir Mobile Developers |
| Priority | High |

Description

When any product's wish list button is tapped except first product, it shows the previous product as in wish list.

Steps to reproduce

1-)Add second item to wish list in any section

Expected result

The heart icon of the second product should be filled

Actual result

The heart icon of the first product is filled.

Bug Report *2

| | |
|-------------|------------------------------|
| ID number | #2 |
| Name | Searching on App |
| Reporter | Ahmet Ozcelik |
| Submit Date | 20/10/2021 |
| Summary | Search function doesn't work |
| Screenshot | Screenshot2 |
| Platform | Android |
| Severity | Major |
| Assigned to | Getir Mobile Developers |
| Priority | High |

Description

When tap the search icon and then try to search for a product, it doesn't show any results.

Steps to reproduce

- 1-)Tap the search icon in the homepage
- 2-) Search for Sample name

Expected result

It should show products with the same name as the product name we typed into the search bar.

Actual result

The search returns no results.
